LOCAL COUTURIER

He has earned a reputation for creating gowns that brides love. Eric Choong designs are seen on more brides that one would believe. The hallmark of his designs is simplicity and femininity. He works in a variety of fabrics, such as chiffon, satin and silk for the fluidity they impart even as he chooses French lace for elegance and sophistication. Intricate beading, hand-embroidery and appliqués make the dresses unique. He also has an equally enticing range of evening wear. Eric has recently branched into providing full wedding services. Eric Choong Kuala Lumpur is located at 61-1 and 63-1 Jalan Telawi 3, Bangsar Baru, Kuala Lumpur, Tel: 03-2283 2113.
