CHOONG

'KL Six' Gala will be presented by The Edge & The Sun on 17th Nov at 9pm

The Perfectionist Prefect

Eric Choong is loved by many. Watching him and his muses during the photo shoot was a cacophony of everyone telling each other jokes and posing tips. But little by little, Eric took control and happily commanded the show, exactly like the way he directs the flawlessness of his collections and exactly like how he is precise with his clients. Soon, everyone was in just the right spot, albeit still giggling. Perfect.
