» INDIAN
SUMMER

A new vocabulary of formality describes the voyage of Ermenegildo Zegna through the coming seasons, a journey that celebrates the finer pleasures in life. The sensual and seductive memories of a long summer travel are ignited by clothing that evokes the colours, sights and sounds of the Indian subcontinent.

✓ ELEGANTLY INTRICATE

Emporio Armani's bag of the season is cool and lightweight – a maxi bauletto in pleated mesh fabric distinguished by handles in contrasting black patent leather. Also available in a choice of colours like red, cornflower blue, lime and white. And, of course, there are also matching shoes.
